

**Men's Basketball Letterwinner Season Ticket Contribution Policy**  
Updated 7/1/2024

Men's Basketball Letterwinners have the opportunity to purchase men's basketball season tickets and receive a "Letterwinner's Credit" toward their Gator Booster contribution.

- **Men's Basketball Letterwinner Credit: Up to \$700 (max)**
- **Letterwinner's credit for tickets is based on ticket availability. There is no guarantee that we will have season tickets available for letterwinners.**

In order to receive the Letterwinner's Credit, the following conditions must be met:

- Men's Basketball Letterwinners must inform the Gator Ticket Office if they are a Letterwinner in order for credit to be applied. This information is subject to review based on the University Athletic Association and Gator Boosters, Inc. records of all-time letterwinners and captains.
- The Letterwinner must make the minimum Gator Booster contribution out of pocket (\$100) to become a member of Gator Boosters, Inc.
- The credit can only be applied to the contribution portion of their payment. (Ticket price and processing fees must be paid out of pocket)
- New Letterwinners applying for season tickets must meet the appropriate Basketball Club Level for the allotment of tickets they are purchasing (minus the Letterwinner's Credit) unless they are "grandfathered in" in which case they must pay the minimum per seat contribution (minus the Letterwinner's Credit).
- Letterwinner Credit cannot be used toward seating in a premium area (i.e. Courtside Seating)
- Letterwinner credit cannot be applied or refunded retroactively.

If the season ticket holder is receiving letterman credit at the time of death, the credit may be transferred and applied to the surviving spouse upon the letterman's death, for as long as the surviving spouse is the ticketholder of the tickets held at time of death.
